POWER ON INTERIO

Website Copy Deck

Final, compact website copy for the residential and commercial interiors site. This deck is written to be client-ready, easy to review, and suitable for direct handoff.

BRAND POSITIONING

Residential and commercial interiors planned with clarity and delivered with care.

Power On Interio designs and delivers homes, offices, kitchens, wardrobes, and turnkey interiors with practical planning, refined finishes, and dependable execution across Bangalore, Chennai, and Hyderabad.

SUGGESTED CHARGE

Rs. 28,000

Recommended fee for this full website copy package, including multi-page rewrite, tone alignment, and a polished client-ready handoff.

HOMEPAGE COPY

Home page messaging

HERO

Interiors Planned for Everyday Living

We create homes, offices, and utility-led interiors that balance function, finish quality, and day-to-day usability.

ABOUT

A practical interior design partner for homes, offices, and utility spaces.

We align layout, material selection, and site execution so the final result feels polished and works well every day.

SERVICES

Design, consultation, and turnkey execution tailored to each space.

Clear planning, practical execution, and a finish that feels ready to use from day one.

PROJECTS

Selected interiors across homes, workplaces, and utility spaces.

A focused gallery of living rooms, kitchens, wardrobes, and office spaces that shows range, scale, and finish quality.

PROCESS

A simple path from brief to handover.

Discover. Design. Deliver.

Share the site, scope, and timeline, and we'll help you define the next step.

SUPPORT PAGES

About, services, projects, and contact

ABOUT PAGE

Residential and commercial interiors planned with clarity.

We design for how people actually use the space, then stay close to execution so the finished result matches the brief. Our focus is practical planning, premium finishes, and a smooth handover that feels organised from start to finish.

SERVICES PAGE

Interior services for homes, offices, and turnkey projects.

We help clients plan, design, and deliver spaces that are practical, polished, and ready to use.

PROJECTS PAGE

Selected interiors across homes and workplaces.

A focused gallery of living rooms, kitchens, wardrobes, and office spaces that shows range, scale, and finish quality.

CONTACT PAGE

Tell us about your space.

Share your project details, and we'll recommend the right next step. We currently serve Bangalore, Chennai, and Hyderabad.

WHAT CHANGED

Removed placeholder-style phrases and replaced them with clear, client-facing wording.

TONE

Compact, professional, and usable for a real interior design business.

HANDOFF

Suitable for website use, PDF delivery, and client billing discussions.

PRICING GUIDANCE

What to charge for this work

RECOMMENDED QUOTE

Rs. 28,000

Best single-number price for this scope if you are presenting the work as a polished, multi-page website copy package.

WHY THIS RANGE

Market guides in India show full website content for 5-10 pages commonly priced around Rs. 10,000 to Rs. 30,000, with content strategy or brand messaging add-ons going higher.

Basic rewrite Home + About + Contact only	**Rs. 12,000 - Rs. 18,000**
Recommended Full website copy deck, tone cleanup, project wording, client-ready PDF	**Rs. 25,000 - Rs. 30,000**
Premium package Includes messaging strategy, revision rounds, and stronger SEO copy guidance	**Rs. 35,000 - Rs. 50,000**

HOW TO POSITION IT

If the client wants only writing, quote the recommended tier. If you are also shaping brand voice, section strategy, and final handoff, move to the premium tier.

MARKET SIGNALS

- Full website content for 5-10 pages is often listed around Rs. 10,000 to Rs. 30,000.
- Basic page copy can fall in the Rs. 1,500 to Rs. 5,000 range per page.
- Content strategy and brand messaging work can move into the Rs. 15,000 to Rs. 50,000 range.

SIMPLE CLIENT EXPLANATION

This is not just writing text. It is site-wide messaging that makes the brand sound clear, trustworthy, and ready to convert inquiries.
